## BULK AUTO CHANGEOVER

**NEW PRODUCT!**

It's a fact - even cryotanks run out of gas.

Our bulk changeover senses a depleted cryotank and automatically switches over to the reserve gas cylinder, switching back once the main cryotank is refilled.

### FEATURES INCLUDE:

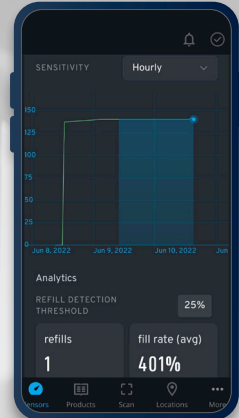

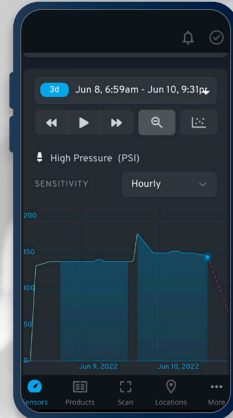

- Gas Service: CO<sub>2</sub>
- Bulk Inlet: 1/4" FNPT with Check Valve
- Cylinder Inlet: 1/4" Flare
- System Outlet: 1/4" FNPT
- Input Presets @ 140psi & 110psi
- Available Ports for Telemetry Sensor
- Durable Anodized Aluminum Body
